 I grabbed Hilde in my arms hugging her tight and spinning around. She had just told me the great news. She was pregnant. She was three months along so far. I kissed her on the lips and let her go. It then hit me like a brick. "I'mâ€¦a father?" I asked, "I'm a FATHER!" I just couldn't believe it. The God Of Deathâ€¦the creator of lifeâ€¦ "Yo Duo!" Heero yelled from the speaker, "Where the hell are you? The mobile dolls are attacking the city again!" I felt a rumble as an explosion rocked the city. "I got to go!" I yelled as I ran towards Deathscythe Hell. These god damn terrorists piloting mobile dolls had been attacking this city, which happened to be capital of the Cinq Kingdom. The place where the World Nation was reborn. I flew toward the edge of town and started firing my gatling guns at the damned mobiles dolls. I swung out my beam saber and started chopping into them.

 "Hilde, will you marry me?" I asked getting down on one knee and opening the ring case. "YES!" she screamed throwing her arms around me. I slipped the ring on her finger. "Duoâ€¦" She said, "I'mâ€¦going into laborâ€¦" "Oh god!" I cried as I helped her over to my car. I stepped on the gas and drove her to the hospital.

 "Duoâ€¦I'M GOING TO KILL YOU!" Hilde screamed. Beep Beep. "Duo, get your ass out here, they're attacking the city!" Heero yelled. "I'll be back soon!" I said to Hilde as I ran out the door and to Deathscythe. I charged at the mobile dolls ripping into them. After what seemed like an hour, Sally appeared on my screen. "Duo, get down here, it's Hildeâ€¦" she said. She didn't look right. There was something wrong with her voice. I rammed at the last mobile doll and jumped from my cockpit as I ran back to the hospital and to the room

she was in. Sally stopped me. "Duoâ€¦I'mâ€¦I'm afraid Hildeâ€¦and the babiesâ€¦Didn'tâ€¦make itâ€¦" She said.
"NOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!" I screamed 10x louder than I had when Deathscythe was destroyed. Relena who was also working at the hospital as a nurse went to the waiting room to comfort me. I was slumped in the chair staring off into space and holding back my tears. "It's okayâ€¦" Relena said putting her hand on my shoulder, "Let it outâ€¦" "I can't Relenaâ€¦" I said turning to her, "Becauseâ€¦Boys don't cryâ€¦"
